Oh yeah, oh yeah  
Oh yeah, oh yeah

(Hook: Twice)

I can be with out you all the time,  
Cause your no longer next to me, no longer next to me.  
Cause when the smoke, clouds, fade,  
You got the best of me, you got the best of me.

(Verse: 1)

Let me issue you a new restraining order,  
YouÃfÃç, -Ã™ re momma done made a borderline,  
borderline.  
Individual who blind to the fact that,  
You canÃfÃç, -Ã™ t affect me  
But I was just as blind, just as blind.  
So you left me with a set back,  
I needed a jetpack,  
To fly, to fly, to fly,  
Away to a location where you not at.  
You Understand and got that,  
So baby put the rock back.  
Slide it off that finger donÃfÃç, -Ã™ t linger with the  
thought that,  
You can return,  
Like The Sith with the Jedi in stilettos, walk it out and let  
it burn baby,  
Let it burn baby, let it burn baby,  
You know what this aint even my concern lady.

(Hook: Twice)

I can be with out you all the time,  
Cause your no longer next to me, no longer next to me.  
Cause when the smoke, clouds, fade,  
You got the best of me, you got the best of me.

(Verse: 2)

I donÃfÃç, -Ã™ t want apologies, this aint G's to  
Gentlemen,  
DonÃfÃç, -Ã™ t act like a creepa and then try to get  
all intimate.  
Hold up a minute now you pushed me to the max,

And I'm just trying to relax,  
And you keep trying to ask,  
Like why you wearing axe and  
Why are you an asshole.  
Forget a third wheel you're a whole other  
axle,  
Forget the princess and the castle.  
I'm about to put my neck inside a lasso  
Why bother with the hassle of you of you,  
But now you got the picture and my view, my view.  
And now I can't even say I love you  
Anymore.  
Cause you wanted out and here we go,  
We can't even be saved by any type of miracle.  
cause

(Hook: Twice)

I can be with out you all the time,  
Cause your no longer next to me, no longer next to me.  
Cause when the smoke, clouds, fade,  
You got the best of me, you got the best of me.

I can be with out you all the time  
Cause you no longer next to me, no longer next to me.  
I can be with out you all the time  
Cause you no longer next to me, no longer next to me.  
t-t-t-t-t- time, time, time  
no longer next to me, no longer next to me  
I can be, with out you all the time.  
I can be, with out you all the time.  
I can be with out you all the time.  
I can be with out you all the time.
