[Verse 1]

You see there never need for cryin'  
Just call me tiger cause i'm never lyin'  
My hands around your waist like i'm orion  
Im a belt  
Im cut from different cloth and so i gave her what i felt.  
I fell in love with her uniqueness.  
My weakness.  
Im Method Man you're Mary J  
You're all i need the remix.  
Yea  
You're my elixer.  
Replacement for that thick syrup. Â  
If i recall correct met at the Catalina mixer.  
Fixer of an empty cavity that held a heart.  
Became a double helix that you'd never tear apart...  
Apart..From.. That...  
Her body is in tact.  
Thats why i'm on attack  
Yeaaa

[Verse 2]

â€¡.I'm in a daze for a days at aÂ time.  
Shed only throw a punch if its hawaiinâ€¡..  
Love of a mime.  
Communicate through hands....  
And so she understands when i unbutton her pants.....  
Forget a ransom her i wont return Â  
She's a keeper and i think you know the term.  
Long...and distance could never separate us. Â  
We're refrigerator raiders  
When we on them elevators that i roll up.  
Swoll up and loaded with some Sour D.  
I devour an Adina howard by the hour fee. Â  
But you i couldn't charge i just enlarge and then i barge  
in.  
You got me writin' all over the margin.Â
