Here we go

Well, I'm ridin' down the beach on my ATV
(Livin' on a coastline)
I'm just chasin' the sun, she goin' down on me
(Livin' on a coastline)

We got a little bit of sun, a little bit of beach
A whole lotta fun in everybody's reach
Just step right up, we got another fine day
Don't let the big one get away, yeah

We're livin' on a coastline
(Livin' on a coastline)
Come on down here now

Livin' it up, yeah
Livin' it up, yes, we are
We're livin' it up, lovin' it up
Livin' on a coastline

We got a Styrofoam chest full o' ice cold beer
(Livin' on a coastline)
We ain't goin' nowhere, we got it all right here
(Livin' on a coastline)

Yeah, stone guaranteed to cure the summertime blues
Put your feet in the sand and throw away your shoes
You just step right up, we got another fine day
Got a nice cool breeze, blow your cares away

Don't take much to have a lot to say
Don't let the big one get away
We're livin' on a coastline
(Livin' on a coastline)
Come on down, yeah

Livin' it up
Livin' it up, yeah, we lovin' down here
Livin' it up, we alive down here
Livin' on a coastline

C'mon, livin' it up
Livin' it up, I got your drink right here, baby
Livin' it up, yeah, yeah, yeah, yeah
Livin' on a coastline

We got North Beach, South Beach
Tryin' to find the perfect beach
So come on down, come on down

East, West, Southwest
Nothin' but the very best
So come on down, come on down
Before the big one get away, yeah

Come on down here
I'm waitin' for ya, baby
We just livin' and lovin'
Livin' and lovin', livin', lovin'
Uh, hey, yeah, yeah, yeah, yeah

Step right up, we got another fine day
Got a nice cool breeze, blow your cares away
It don't take much to have a lot to say
Don't let the big one get away, yeah

Livin' it up, hey
Livin' it up, I'm alive down here
Livin' it up, layin' on the beach
Just livin' it, lovin' it
Livin', lovin', livin', lovin'

Livin' it up
Livin' it up
Ice cold brew just waitin' for you
Livin' it up, yeah, yeah, yeah, yeah
Livin' on a coastline

Livin' it up, yeah, I got your drink right here
Livin' it up, we waitin' for you, baby
Come on down
(Livin' it up)

Yeah we livin', lovin', livin', lovin'
Livin' on a coastline
Yeah, come on down
Livin' on a coastline
