Everybody must get stoned

Well, they'll stone you
When you're trying to be so good
And they'll stone you
Just like they said they would

Well, then they'll stone you
When you're trying to go home
Then they'll stone you
When you're there all alone

But I would not feel so all alone
Talk to me
Everybody must get stoned

Well, they'll stone you
When you're walking down the street
And they'll stone you
When you're trying to find your seat

I seen people stoned
When they're walking through the door
I seen 'em stoned
And then they'll come back for more

And I would not feel so all alone, not tonight
'Cos everybody must get stoned

And I would not feel so all alone
'Cos everybody must get stoned
