I've been up and down this highway
Feeling washed up on the shore
But I can see the sun slowly rising out there
And I count down one more

And with the world above my shoulders
Hey, I can stand up straight and tall
And slip my feet back in those worn out shoes
And still make last call

And we go sailin, sailin
I wanna go sailin
On that magic ship we're on
Sail on, sailor, sail on

To that place in my head
That simple place I've never been
They say the sun never goes down there
Raise the canvas to the wind

And we'll go sailin
I wanna go sailin, I wanna go sailin
Sailin from sunset 'til dawn
Sail on sailor, sail on, sail on

I wanna go sailin
I wanna go sailin
Baby, let's go sailin
I wanna go sailin

We gotta go sailin
(Sailin)
I wanna go sailin
(Sailin)
Get that wind in my face

We go sailin, sailin
(Sailin)
Sail on sailor
(Sailin)
Let's go, sailin
'Coz I wanna go sailin
