(Spoken)

Okay, that's been my backwards song. I guess there's nowhere else I can go with it now. I could use the word "racecar". Some people don't know this, but "racecar" is actually "racecar" spelt backwards. Ah, now you're getting it! "Racecar". It's called a palindrome, that's a word that's spelt the same backwards. Like Hannah, I love that word. You could say this whole song is a palindrome... but you'd be wrong. And we all know there's nothing more embarrassing than misunderstanding a simple grammatical term, whoo! Anyway, that's been my backwards song and I hope you enjoyed it.

It enjoyed you hope I and song backwards my been
