SAMMY #1:

Sometimes I get lonely, sometimes I get down  
Underneath this smile lies a miserable clown  
I feel just like I'm searching for something I'll never  
find  
If you could only hear the voices of the demons in my  
mind

SAMMY #2:

Because I have to sing my duets on my own

SAMMY #1:

Have to sing my duets on my own

SAMMY #2:

Have to sing my duets on my own  
It's hard to do

SAMMY #1:

So hard to do

BOTH:

There's only one of us, not two  
So hard to do, Sammy, if they only knew

SAMMY #2:

Sometimes I get lonely, sometimes I get down

SAMMY #1:

(Don't you be lonely any more, no need to be)

SAMMY #2:

Underneath this smile lies a

BOTH:

Miserable clown

SAMMY #2:

Oh Sammy J, I love you so

SAMMY #1:

That's a little bit freaky

SAMMY #2:  
Please promise me you'll never go

SAMMY #1:  
You know I'd never leave you

BOTH:  
We will always have each other, I love you

SAMMY #2:  
Just like a brother

BOTH:  
And we will always sing my duets on my own

SAMMY #2: (spoken)  
I love it when you touch me.

SAMMY #1: (spoken)  
Dude, shut up! Don't say that, please.

SAMMY #2: (spoken)  
Keep your eyes on the piano, Sammy.

SAMMY #1: (spoken)  
Sorry, I was looking at Hannah, I

SAMMY #2:  
I need some love like I've never needed love before

SAMMY #1:  
Gonna make love to you, baby

BOTH:  
Then I go and spoil it all by saying something stupid

SAMMY #2:  
A whole new world

SAMMY #1:  
Don't you dare close your eyes!

SAMMY #2:  
With new horizons to be seen

SAMMY #1:  
Hold your breath, it gets better

BOTH:  
I'll chase them anywhere

There's time to spare  
But now it's time to say goodbye  
I love you

SAMMY #2:  
Till the day I die

SAMMY #1:  
And we will al-
