Chevy Van  
Sammy Johns

I gave a girl a ride in my wagon  
She rolled (crawled?) in and took control  
She was tired and (yeah?) her mind was a-draggin'  
I said get softly (?) back, dream of rock and roll

Refrain:

Like a picture she was layin' there  
Moonlight dancin' off her hair  
She woke up and took me by the hand  
She's gonna love me in my Chevy van  
And that's all right with me

Her young face was like that of an angel  
Her long legs were tanned and brown  
Better keep your eyes on the road, son  
Better slow this vehicle down

Refrain

I put her out in a town that was so small  
You could throw rocks (a rock?) from end to end  
A dirt-road Main Street, she walked off in bare feet  
It's a shame I won't be passin' through again

'Cause like a picture she was layin' there  
Moonlight dancin' off her hair  
She woke up and took me by the hand  
We made love in my Chevy van  
And that's all right with me
