Oh, Julie, oh, Julie

Oh, oh, oh, Julie
You'll never know
How much I love her
Oh, oh, oh, Julie
A teenage dream
That can't come true

I see you, Julie
Each day as you pass by
But maybe someday, Julie
I'll be the apple of your eye

Although you're older than me
It makes no difference, you see
As you are my shining star

You've heard of passing for love
Jealousy, my dove, well
That's the way I feel about you

I need you, Julie
You'll never know
How much my heart yearns
Oh, please, please, help me
My love just burns and burns

But someday, Julie
When I'm as old as you
I'll take you truly and
Make my dreams come true

But someday, Julie
When I'm as old as you
I'll take you truly and
Make my dreams come true
