Summertime

Well the trust was broke
'cause the words were wrong
And faith is weak
But the wind is strong

A feather falls
And the horses whine
When the cold wind blows
In the summertime

In the summertime
In the summertime

Well I don't know much
And I don't lie
When the cold wind blows
In the summertime

Well I won't look back
Because we made it here
To find that truth
Was founded on lies

In the summertime
