I woke up in the morning  
and all that I could see  
fish are looking at me  
all these slimey things  
floating to the bathroom  
to find some of my friends  
really what I hoped for  
the dream should never end  
underwater people  
underwater people  
underwater people  
underwater people  
went down to Tulagi's  
to find some of my friends  
underwater people  
around me 'till the end  
swimming in a fish bowl  
quite a funny thing  
all these freaks around you  
all my friends are fish  
underwater people  
underwater people  
underwater people  
underwater people  
woke up underwater  
all that I could see  
Tulagi freak around me  
all my friends and me  
underwater people  
underwater people  
underwater people  
underwater people
