Samson - It's Not As Easy As It Seems

Can you hear me?  
I ain't running away  
Don't think you'd save me  
Save me for a rainy day

You're just hanging on to a daydream  
It's not as easy  
It's not as easy as it seems

Would you take me  
If I came back in a while  
Or is your freedom  
So much roll within a country mile

You're just drowning  
In a river full of tear drops  
I think it's high time  
High time for those tears to stop (stop, stop...)

\*repeat 1st verse\*  
("can you hear.....as easy as it seems")
