There you see her sitting there across the way  
She don't got a lot to say but there's something about  
her  
And you don't know why but you're dying to try  
You wanna kiss the girl

Yes, you want her look at her, you know you do  
Possible she wants you too  
There is one way to ask her, it don't take a word  
Not a single word, go on and kiss the girl

Sha la la la la, my oh, my  
Look like the boy too shy  
Ain't gonna kiss the girl, sha la la la la  
Ain't that sad? Ain't it a shame?  
Too bad, he gonna miss the girl

Now's your moment floating in a blue lagoon  
Boy you better do it soon, no time will be better  
She don't say a word and she won't say a word  
Until you kiss the girl

Sha la la la la, don't be scared  
You got the mood prepared  
Go on and kiss the girl, sha la la la la  
Don't stop now, don't try to hide it how  
You want to kiss the girl

Sha la la la la, float along and listen to the song  
The song say kiss the girl, sha la la la la  
The music play, do what the music say  
You got to kiss the girl, you've got to kiss the girl  
You wanna kiss the girl, you've gotta kiss the girl  
Go on and kiss the girl
