I wonder what you're doing
I wonder if you smile
I hope that you are doing okay
I miss our late night phone calls
I wish you come back soon
I hope you feel the same way too

Don't skip meals
Don't stay up late
Cause I've always dreamed of you

There you are 1000 miles away from me
And don't forget that you have me
I guess the best that I can do for you
Is sing this song to let you know how much I love you

Do you remember when I said
"take good care of yourself
And don't forget to keep in touch"
And when you said to me
"it's not that long
I promise you, I'll come back in time"

You always say you're not that beautiful
You just don't realize how beautiful you are.

There you are 1000 miles away from me
And don't forget that you have me
I guess the best that I can do for you
Is sing this song to let you know how much I love you
Here I am 1000 miles away from you
I won't forget that I have you
I guess the best that I can do for you
Is sing this song to let you know how much I love you
