Lately, I am not satisfied
Without your voice, it seems so incomplete
I am trying to escape this scene
But life is worse, without you in my arms

It's so unpredictable, that you and I are meant to be
It's not that impossible, I swear

Will you sit with me
And wait for the stars to fall
I swear that I'll hold your hand
Until this life pass us by.

You carry, something that was mine
And it's my heart, so fragile deep inside
I'm sorry, I know that this seems right
I'll hug you tight, if only time could stop

This seems ridiculous for me to say "I hope you love
me back"
It's not that impossible, I swear

Will you sit with me
And wait for the stars to fall
I swear that I'll hold your hand
Until this life pass us by.
