How, did I ever let you slip away
Never knowing, I'd be singing this song someday
And I will sink in, sink into your eyes no more
Ever since you, closed the door

If I could turn, turn back the hands of time
Then my darling you'd, still be mine
If I could turn, turn back the hands of time
Then my darling you'd, still be mine

Funny, funny how time goes by
And the blessing will be missed, in a blink of an eye
Oh why, oh why, oh why
Should a one go on suffering
When everyday I plea, please come back to me

If I could turn, turn back the hands of time
Then my darling you'd, still be mine
If I could turn, turn back the hands of time
Then my darling you'd, still be mine

And you had enough love for both of us
But I, I did you wrong, I really did
And now I'm facing, the rest of my life alone

If I could turn, turn back the hands of time
Then my darling you'd, still be mine
If I could turn, turn back the hands of time
Then my darling you'd, still be mine

If I could turn back
If I could turn back
If I could turn back the hands

If I could turn back
If I could turn back
If I could turn back the hands

Love you (x4)

(Music fades out)

Love you
