[Lyrics by Hubertus]

Din ande sveper ǺǺver Nordens rike. Ditt ljus  
Skola lysa fǺǺr all tid. AllhǺrskare ǺǺver hela  
Universum, Du ǺǺr vǺǺr konung, vǺǺr Far.

Your spirit is sweeping over the nordic realm.  
Your light will shine forever. Master over the  
Whole universe. You are our emperor, our father.

Du dog pǺǺ ett kors och uppstod pǺǺ tredje  
Dagen. Evigt liv du bringe, i evighet vi leve.

You died upon a cross and rose on the third  
Day. Eternal life you bring, in eternity we live.

Vi skall kǺǺmpa mot ondskan. Vi skall strida  
FǺǺr ljus. Giv oss kraft, som Kristi krigare.  
Kristus skall regera fǺǺr all tid.

We shall fight against evil. We shall struggle  
For light. Give us strength as warriors of  
Christ. Christ will reign forever.

Frukta icke ondskan, ty Kristus har vunnit  
Seger. Frukta dock Gud, konungars konung.  
FǺǺr han har skapat dig, och frikǺǺpt dig till  
Evigheten!

Fear not the evil. For christ have conquered.  
Yet, fear God for he has created you and  
Freed you to eternity.
