[Lyrics by Hubertus]

Din ande sveper Å¶ver Nordens rike. Ditt ljus skola lysa fÅ¶r all tid. AllhÅ¶rskare Å¶ver hela universum, Du Å¶r vÅ¶r konung, vÅ¶r Far.

Your spirit is sweeping over the nordic realm. Your light will shine forever. Master over the whole universe. You are our emperor, our father.

Du dog pÅ¶ ett kors och uppstod pÅ¶ tredje dagen. Evigt liv du bringe, i evighet vi leve.

You died upon a cross and rose on the third day. Eternal life you bring, in eternity we live.

Vi skall kÅ¶mpa mot onskan. Vi skall strida fÅ¶r ljus. Giv oss kraft, som Kristi krigare. Kristus skall regera fÅ¶r all tid.

We shall fight against evil. We shall struggle for light. Give us strength as warriors of Christ. Christ will reign forever.

Frukta icke onskan, ty Kristus har vunnit seger. Frukta dock Gud, konungars konung. FÅ¶r han har skapat dig, och frikÅ¶pt dig till evigheten!

Fear not the evil. For christ have conquered. Yet, fear God for he has created you and freed you to eternity.
