I had a feeling,  
That you're holding my heart,  
And I know that it's true,  
You wouldn't let it be broken apart,  
Cause' it is much dear to you.  
Forever we'll be together,  
No one can break us apart.  
For our love will truly be,  
A wonderful smile in your heart.

You're a sweet tender lover,  
We are so much in love.  
I'm not afraid when you're far away,  
Just give me a smile in your heart.

You brighten my day,  
Showing me my direction.  
You're coming to me,  
And giving me inspiration.  
How can I ask for more  
From you, my dear?  
Maybe just a smile in your heart.

I'm always dreaming of being in love,  
But now I know this is true.  
Since you came into my life,  
It is true love that I have found.

I pray that you wouldn't leave me,  
Whatever may come along.  
But if you do, I won't feel so bad,  
Just give me a smile in your heart.

You brighten my day,  
Showing me my direction.  
You're coming to me,  
And giving me inspiration.  
How can I ask for more  
From you, my dear?  
Maybe just a smile in your heart.  
(Maybe just a smile in your heart...)

You brighten my day,  
Showing me my direction.  
You're coming to me,  
And giving me inspiration.  
How can I ask for more  
From you, my dear?  
Maybe just a smile in your heart.  
Give me a smile in your heart...
