All, All, All aboard row heavy water
To go home.

Welcome a dawn
Sun shining down.
But it's 3am
ICBM.
It's getting so much hotter
The mercury sings.
"Green bricks, dirty sounds
It's time to make for safer ground."

All, All, All aboard row heavy water
To go home.

All, All, All aboard row heavy water
To go home.

Clouds of white, they settle to dust
Flowers spreading seeds.
Oh and sick disease
If I could bury deep enough.
Straight and arrow through the core
It's time to leave for pearly shores.

All, All, All aboard row heavy water
To go home.

All, All, All aboard row heavy water
To go home.

It's time to make for safer ground, Oh.

It's time to make for safer ground, Oh, oh, oh, oh.

It's time to make for safer ground, Oh.

It's time to make for safer ground, Oh, oh, oh, oh.

All, All, All aboard row heavy water
To go home.

All, All, All aboard row heavy water
To go home.
To go home.

To go home.
