Volverse gris, volverse gris...

aaaahh... will fade to grey
aaaahh... will fade to grey

aaaahh... will fade to grey
aaaahh... will fade to grey
aaaahh... will fade to grey - fade to grey
aaaahh... will fade to grey - fade to grey

one man on a lonely platform
one case sitting by his side
two eyes tearing cold and silence
show fears as he turns to hide

aaaahh... will fade to grey - (fade to grey)
?

aaaahh... will fade to grey
?

feel rain like an english summer
hear the note from a distant song
steppin' out from a backdrop poster
wishing life wouldn't be so long

aaaahh... will fade to grey - (fade to grey)
?
