Wake up on the groove ...
(Oh yeah we gonna make dance all night long
Time and singing make me moving
You gotta using sixteen just a grooving)
When I wake up in the morning
All I feel inside out of meanin'
Only groovin' I kills the moving
On and on and on the night and day
And I seen to make you understand
When I make you feel, inside
Take me over the seven seas
Love me night and fall
And the music it's just to sweet
Makes me work 'cause your week
I can get enough
I want get enough ... ooh ...
'Cause I love to dance
All night long
I love to dance, all night
'Cause I love to dance
All night long
I love to dance, all night
'Cause I love to dance
Wake up on the groove ...
(Movin' make you groovin' ...)
And I know where oh I can feel
So taken over away
With the mean yeah
Run together into the freedom
On and on and on the night and day
And we over I break your family
Walkin' down the street
All around the world
Make the groovin', inside of you
'Cause you love the fall
And the music it's just to sweet
Makes me work 'cause your week
I can get enough
I want get enough ... ooh ...
'Cause I love to dance
All night long

I love to dance
'Cause I love to dance
All night long
I love to dance, all night
' Cause I love yeah
All night long
I love to dance, all night long
Love to dance, all night long
I love to dance ...
Wake up on the groove ...
