Hey, I feel lonely
But I got so many different women on my mind
It's so cool to be kind

Why do you keep on running?
Why do you keep on humming?
It's so cool to be kind
Kinda, kinda like I'm in love

I'm in love, I'm in love
I'm in love, I'm in love
I'm in love

I'm in love, I'm in love
I'm in love, I'm in love
I'm in love, I'm in love

Oh, I believed ya
But when I saw you coming
I couldn't concede yeah
It's so cool to be kind

Why do you keep on running?
Why do you keep on humming?
It's so cool to be kind
Kinda, kinda like I'm in love

I'm in love, I'm in love
I'm in love, I'm in love
I'm in love, I'm in love

I'm in love, I'm in love
I'm in love, I'm in love
I'm in love, I'm in love

Girl, when we say that we're in love
We best believe that we're in love
But I don't know
Don't know what I'm saying

I said, "Oh, baby, this happens all of the time"
And sugar, yeah, it's driving me wild, wild, wild

I'm in love, I'm in love
I'm in love, I'm in love
I'm in love, I'm in love

I'm in love, I'm in love
I'm in love, I'm in love
I'm in love, I'm in love

I'm in love, I'm in love
I'm in love

I'm in love, I'm in love
I'm in love

It's kinda, kinda like I'm in love
