There's a girl running around my head  
I know she made me frown  
She may be crazy, she may not be right  
She make me feel like  
Like a motherfucker from hell  
Like a motherfucker from hell, yeah, yeah

Around her finger [Incomprehensible] make me sigh  
With a look the girl, she made me cry  
She may be crazy, may treat me bad  
She make me feel like  
Like a motherfucker from hell  
Like a motherfucker from hell, yeah, yeah

Like the man said it's just a shot away  
It happens lord everyday  
And she says it feels good  
Damn, I make her feel alright

And it's a damn sight better than I got from you  
Damn, woman you makes me, oh, so blue  
Like a motherfucker from hell

She got me down spinning out of control  
That woman the devil's own  
She maybe be crazy, may treat me bad  
She makes me feel like  
Like a motherfucker from hell  
Like a motherfucker from hell, yeah, yeah

Like the man said it's just a shot away  
It happens lord everyday  
And she says it feels good  
Damn, I make her feel alright

Like the man said it's just a shot away  
It happens lord everyday  
And she says it feels good  
Damn, I make her feel alright

And it's a damn sight better than I got from you  
Damn, woman you make me, oh, so blue

Like a motherfucker from hell

Like the man said it's just a shot away  
It happens lord everyday  
And she says it feels good  
Damn, I make her feel alright

And it's a damn sight better than I got from you  
Damn, woman you make me, oh, so blue  
Just like, just like you, just like, just like you  
Like a motherfucker from hell
