"Too Little Fire"

Too much smoke, too little fire.
Too much smoke, too little fire.

Well over head the signals call
To spoon-fed, air head, eyeball's.
It seems the joke's on you this time, hey
This time.

Too much smoke, too little fire.
Too much smoke, too little fire.

Now you're preaching to the choir
Now you're preaching has misfired
Who'll buy the lie, the crime, the time.
The atom's smashed oh so fine
Seems the joke's on you this time, hey
This time.

This time.

This time.

This time.

Too much smoke, too little fire.
Too much smoke, too little fire.

Love you and hate you
Got it all wrong.
Love you and hate you
Oh not for long.
Love you and hate you
Got it all wrong.
Too late I found now
The words to the song.

Too much smoke, too little fire.
Too much smoke, too little fire.

Well, either way you're gonna lose.

Yeah, either way you lose.

Too much smoke, too little fire.
Too much smoke, too little fire

Too much smoke, too little fire.
Too much smoke, too little fire

Too much smoke, too little fire.
Too much smoke, too little fire

Too much smoke, too little fire.
Too much smoke, too little fire

Too much smoke, too little fire.
Too much smoke, too little fire

Fire. (Repeat till end).
