"What Would I Know"

Visit "[What Would I Know](#)" on MotoLyrics.com

Come on, baby, baby, baby, don't deny
You got me standing at the end of your line
I'll take your number, just put me down
I know, babe, I'll be the jewel in your crown

I see you coming after me
I know your not that good
A take your time to, baby, unwind
But just for you, sugar
I'm gonna let it all go, let it go

Yeah, you let me know, lady, every time
You drive me crazy, drive me out of my mind
It makes me angry but what would I know?
Yeah, yeah, yeah

Don't you, baby, baby, baby, don't deny
You got me standing at the end of your line
We'll take a number, [Incomprehensible]
But I know, baby that you shouldn't pretend

I see you coming after me
I know you're not that good
A take your time to, baby, unwind
And just for you, sugar
I'm gonna let it all go, let it go

Yes, you let me know, lady every time
You drive me crazy, drive me out of my mind
It makes me angry but what would I know?
Yeah, yeah, yeah

Tell me, baby, tell me again
Tell me, sugar, I shouldn't pretend
That I know, oh, I know

You tell me what's right
I know that it's wrong
Tell me, baby
Why you sing that song, oh
[Incomprehensible]

Yeah, tell me, baby, tell me again
Tell me, sugar, why I shouldn't pretend
That I know, oh, I know? Yeah

You tell me what's right
I know that it's wrong, oh
You tell me, baby
Why you sing that song?
I know, know, I know, oh

You let me know, lady every time
You drive me crazy, drive me out of my mind
It makes me angry but what would I know?
Yeah, yeah, yeah
I know, oh, I know, oh
