Sometimes when  
A woman's with men  
She loses control  
Of her body and mind  
She tries to hold her on  
To the ones that she loves  
But nothing can hold back  
The love desire

When we met  
I thought you were cute  
And obviously  
You knew you were fine  
Your elegance  
Just filled the air  
I tried to hate you  
But I didn't have time

You know that you're always on my mind  
I just can't control the way I feel about you  
You're making me crazier day by day  
This desire for love  
(Ooh ah love desire) Love desire  
(Ooh ah love desire) Love desire  
(Ooh ah love desire) Love desire  
(Ooh ah love desire)

It must have been  
The confidence you had  
That drew me near  
And attracted me to you  
You didn't seem to care  
What anybody thought  
So much ego  
Just turned me on

I always can feel when you are near  
Your presence alone can mesmerize me  
You're making me burn down deep inside  
My desire for love  
(Ooh ah love desire) Love desire  
(Ooh ah love desire) Love desire

(Ooh ah love desire) Love desire  
(Ooh ah love desire) Love desire  
(Ooh ah love desire) Love desire  
(Ooh ah love desire) Love desire  
(Ooh ah love desire) Love desire  
(Ooh ah love desire) Love desire  
(Ooh ah love desire)

Te necesitas  
Dame mas  
Ohh

When we first met  
You thought I was arrogant  
You know something baby  
That comes from experience  
Lovable charming  
I make the ladies curious by playing it smooth  
Take a look at yourself  
In the palm of my hand  
You're like a fly in the spiderweb  
A woman who can't  
Take my advice  
One thing you learned  
You put your hand in the fire and you're sure to get  
burned

Is it your love that's driving me mad  
I just hate myself for falling for you  
Something inside just won't let go  
My desire for love  
(Ooh ah love desire) Love desire  
(Ooh ah love desire) Love desire  
(Ooh ah love desire) Love desire  
(Ooh ah love desire) Love desire  
(Ooh ah love desire) Love desire  
(Ooh ah love desire) Love desire  
(Ooh ah love desire) Love desire  
(Ooh ah love desire) Love desire  
(Ooh ah love desire) Love desire  
(Ooh ah love desire) Love desire  
(Ooh ah love desire) Love desire  
(Ooh ah love desire) Love desire  
(Ooh ah love desire)
