#### VERSE 1:

Every night I go out  
I feel your eyes  
Just lookin' at me  
And every time I look your way  
You turn your head  
Don't play those games  
Don't be so mean...hmmmm  
Every song that comes on  
I look to see  
Will he dance with me?  
So please Mister DJ play my song  
All nite long, the battle's on

#### CHORUS:

All I wanna do is dance  
Forget the romance  
Take a chance  
Now do that dance  
Just move  
Grab me closer now  
Tease me, Turn me And Show me how  
Just Dance  
Pull me in tight  
The groove is real nice  
Let's party tonite  
Just work, AhhOw That's right I said  
All I Wanna do is DANCE!

#### VERSE 2:

So my girls clear the floor out  
Beat in your ears  
With moves so fierce  
Not to be outdone you call the boys  
Break the beat, get on your feet  
So fresh so clean, woo!  
Energy heats up the atmosphere  
The crowd is hyped..mmm...let's move tonite!  
And keep the hits flowin' all nite long  
And play my favorite song

REPEAT CHORUS
