Volverse gris, volverse gris...

aaaahh... will fade to grey  
aaaahh... will fade to grey

aaaahh... will fade to grey  
aaaahh... will fade to grey  
aaaahh... will fade to grey - fade to grey  
aaaahh... will fade to grey - fade to grey

one man on a lonely platform  
one case sitting by his side  
two eyes tearing cold and silence  
show fears as he turns to hide

aaaahh... will fade to grey - (fade to grey)  
Â...

aaaahh... will fade to grey  
Â...

feel rain like an english summer  
hear the note from a distant song  
steppin' out from a backdrop poster  
wishing life wouldn't be so long

aaaahh... will fade to grey - (fade to grey)  
Â...
