Hare hanni hanni hare
hare hanni ni hanni hare
hare hanni hanni hare
hare hanni ni hanni hare

there is a sound that's healing the world
it's just the beauty of the main sacred word
this incantation can move the mountains
it's just one voice chord: om bhur bhuvah suahh!

hare hanni hanni hare
Â...

this is the right kind of song to tell you
the mantra power and the echoes of love
the different voices can become one only
the teaching of buddah: om bhur bhuvah suahh!

hare hanni hanni hare
