When the world slows down
I can hear your heart
You can try if you want but the menace? is stuck in your
head

I know how it feels
When the tears?
If the fairytale ends I'll be traveling around in your
head

You can change that block let me cover that heart
You can try if you want but I'm always in sight
I'm your low fat love through the sense I will see
The fairytale ends how you live it

Damn, I'm a do it again
Yes I will do it again
Damn, I'm a do it again
Yes I will do it again

Once cold outside when you let me in
I can show you the world were everythings going to win
Yeah/Do you know how it feels
When the tears

You can change that block let me cover that heart
You can try if you want but I'm always in sight
I'm your low fat love? through the sense I will see
The fairytale ends how you live it

Damn, I'm a do it again
Yes I will do it again
Damn, I'm a do it again
Yes I will do it again

I'm gonna let it go
I'm gonna let you go
I'm gonna let it go
I'm gonna let you go

Maybe I'm running through your bed

Damn, I'm a do it again
Yes I will do it again
Damn, I'm a do it again
Yes I will do it again

Damn, I'm a do it again
Yes I will do it again
Damn, I'm a do it again
Yes I will do it again
