I'm not your girl and I'm not your little baby
I learn to fly and I'm waiting for the signal

I'm not your girl and I'm not your little baby
I learn to fly and I'm waiting for the signal

I learn to fly at dawn
And show you where I'm from
I learn to fly at dawn
And show you where I'm from

You're so
Strange, strange, strange
I wanna
Change, change

You're so
Strange, strange, strange
I gotta
Change, change

I'm on this and I don't need to feed ya
You can not touch me cause I really don't need ya

I'm on this and I don't need to feed ya
You can not touch me cause I really don't need ya

I learn to fly at dawn
And show you where I'm from
I learn to fly at dawn
And show you where I'm from

You're so
Strange, strange, strange
I wanna
Change, change

You're so
Strange, strange, strange
I gotta
Change, change

You're so
Strange, strange, strange
You're so
Strange, strange, strange
You're so
Strange, strange
