[Butterfly Carnival]
-Sandwich

So you say you're higher
CAVE of fire don't regret your stars
But THEN YOU STEAL the pipe and
BLOW the kisses, oh you play your part!

But you feel you'll find it
no you'll find it
Don't forget your heart
Because your soul is burning
Time is turning No one stays the same..

(Who! who! ..who! 10x)

Inside my mind you TRACE IT
Face to FACE AND one into your wings
Regressing eyes are hallow,
Soul is shallow, oh you drain my heart!!

But you feel you'll find it
No you'll find it
Don't forget your heart
Because your soul is burning
Time is turning No one stays the same..

Butterfly (carnival) 7x
Butterflyyyyyy...YEAH!!

(Who! who! ..who! 13x)
