

Daughter Darling "Juniors"

Visit "[Juniors](#)" on MotoLyrics.com

Im here to say my words,
People crossing moses
Killing with there hoses,
Dunno what Ya feel when your in terrorty

(Chorus)
Juniors here, Juniors there
Juniors everywhere

Dunno how to react or to do
Dunno what you expect to relieve me
And im fighting you with my hose
When people crossing moses
Killing with there hoses,
You just act like your juniors, act like your juniors

(Chorus)
Juniors here, Juniors there
Juniors everywhere
Juniors here, Juniors there
Juniors everywhere

Im here to say everyday
Nobody likes me, ugly and patriotic
Cos like me they're killing me with there hoses

(Chorus)
Juniors here, Juniors there
Juniors everywhere
Juniors here, Juniors there
Juniors everywhere
