You slice her open
But its me that bleeds
I feel her pain
And you feel greed

You comb her hair
Then pull it out
You tell her you can't live without
The love that I won't give away
You punish me the evil way

Your voodoo games
I cannot take
Insanity, control and hate
I want you to
Just let me be
I'm at your mercy
Release me

Your voodoo games are haunting me
I wake up from my piercing screams
Let me go let me be
I'm at your mercy release me

You're not a man
You're just a boy
Who likes to mangle up his toys
You bring me to your broken dreams
Your wishes to reality
Your freedom is from stabbing me
I won't endure these heartless deeds
You only choose to taunt and play
With what you won't face anyway

Your voodoo games
I cannot take
Insanity, control and hate
I want you to
Just let me be
I'm at your mercy release me
Your voodoo games are haunting me
I wake up from my piercing screams

Let me go
Just let me be
I'm at your mercy release me
