He was born a fool for love
What he would'nt do for love
He's a fool, a fool for love

She was six and he was seven
Used to send him off to heaven
When she said, you are my sunshine
The part he always liked the best
When she teased him with a kiss
And she said you make me happy

You're a fool for love
What he wouldn't do for love
He's a fool, fool for love
Born a fool, you got to
Follow the rule, always a fool
A fool for love

He grew up he didn't get much better
Tattooed underneath his sweater
L.o.v.e in blue
Seems he was never satisfied
Chasing girls like butterflies
Believin' every word they said was true

He's a fool for love
What he wouldn't do for love
He's a fool, a fool for love
Once a fool, you got to
Follow the rule, always a fool
A fool for love

Last time I saw him alive
He was standin' up on the bride's side
Yelling his objections at the groom
The blushing bride was my bestfriend
She turned around and to him said
Yes you were my only sunshine then

You're a fool for love
What he wouldn't do for love
He's a fool, a fool for love

Born a fool, you got to
Follow the rule, always a fool
A fool for love

He's a fool, fool for love
He's a fool, fool for love
Fool for love, he's a fool
Fool for love, he's a fool for love
Fool for love
