For those who fancy coloring books
And lots of people do
Here's a new one for you
A most unusual coloring book
The kind you never see
Crayons ready, very well
Begin to color me

These are the eyes that watched him as he walked
away
Color them gray
This is the heart that thought he would always be true
Color it blue

These are the arms that held him and touched him, then
lost him somehow
Color them empty now

These are the beads I wore until she came between
Color them green

This is the room I sleep in
And walk in and weep in
And hide in that nobody sees
Color it lonely, please

This is the man, the love I depended upon
Color him gone
