Have a seat  
I'll tell you why  
She wants to be  
One with the ocean

Young girl, left black and blue  
Her skin is bruised  
But that's not the problem

No one noticed  
The way she's changed  
But I'll be there

Confidence is what's inside  
There's no pride  
Feeding the violence

In a bed  
She would pray  
Take the pain  
God, make him stop it

No one noticed  
The way she's changed  
But I'll be there  
No one noticed  
The way she's changed  
But I'll be there

Have a seat  
I'll tell you why  
She wants to be  
One with the ocean

Young girl, left black and blue  
Her skin is bruised  
But that's not the problem  
That's not the problem  
That's not the problem
