"Letting You Go"

I've been as broke as one could get
I still wanna live, but not without you
There are things we could've said
Learned to forgive
But I don't want to

I'm letting you go tonight
You always make me feel like
Nothing I know is right
It's all my fault

Now words that could explain
Why it was this way
But I'm leaving it up to you
There was nothing in your face
The thoughts were in my head
They can't be erased

What would you do if it was up to you
And no one could stand in your place?
What would you do if your dreams could come true?
Maybe you don't have to wait

I'm letting you go tonight
You always make me feel like
Nothing I know is right
It's all my fault

I'm letting you go tonight
You always make me feel like
Nothing I know is right
It's all my fault

But now I know

I'm letting you go tonight
You always make me feel like
Nothing I know is right
It's all my fault

It's all my fault
