Inside a cage looking out it's no fiction
Angels of mercy, please set me free
What about the flames of dispare and corruption
Feels like the future is hidden in a mist
Awake or asleep, when I'm into

Mental destruction
Whatch my soul rise in sorrow
Mental destruction
I'm driven this far

Mental destruction
Whatch my soul rise in sorrow
Mental destruction
I'm driven too far

Who takes the blame of what's been done to the future
Lies with the victim, eternal guilt
Join the lineup for the shooting no exeptions
What did my patience leave me in the end
Awake or asleep, when I'm into

Mental destruction
Whatch my soul rise in sorrow
Mental destruction
I'm driven this far

Mental destruction
Whatch my soul rise in sorrow
Mental destruction
I'm driven too far

Mental destruction
Whatch my soul rise in sorrow
Mental destruction
I'm driven this far

Mental destruction
Whatch my soul rise in sorrow
Mental destruction
I'm driven too far
