"Not Good Enough"

Don't try, give up
Wash off your makeup
Let's make you real

Let's not discuss
What's wrong with us
Why can't you feel?

I'm not good enough
You're not what I want
Tell your friends to grow up
You're not good enough for me
I won't be on my knees
It's not me, baby, please
Maybe some day you'll see
You're not good enough for me

Don't say that I'm wrong
Don't say it's all just in my head

I know you want him
I came home too soon
Found you in bed

I'm okay, don't worry
Don't say you're sorry
You're only sorry I found out

I'm not good enough
You're not what I want
Tell your friends to grow up
You're not good enough for me
I won't be on my knees
It's not me, baby, please
Maybe some day you'll see
You're not good enough for me
