Who do you think you're talking to?  
Were you alone and did you lose?  
Now you're out the door

Shut up and watch what the fuck you say  
Stay away  
'Cause I just might lose it  
Shut up and watch what the fuck you say  
Stay away  
Or you just might end up dead

Is that the way you chose?  
Should've listened to your friends  
They were trying to protect you

Shut up and watch what the fuck you say  
Stay away  
'Cause I just might lose it  
Shut up and watch what the fuck you say  
Stay away  
Or you just might end up dead

You just might end up dead

Are you talkin' to me?  
Are you talkin' to me?

It doesn't mend when you leave this place  
I know exactly where you sleep  
Or will your friends be there tonight?  
You'll never wake to see me

Shut up and watch what the fuck you say  
Stay away  
'Cause I just might lose it  
Shut up and watch what the fuck you say  
Stay away  
Or you just might end up dead

You just might end up dead

Listen to me

Are you talkin' to me?  
Are you talkin' to me?  
Are you talkin' to me?  
You talkin'?  
Are you talkin' to me?  
Are you talkin' to me?  
Are you talkin' to me?  
You talkin'?
