## "My Angel"

Visit "[My Angel](#)" on MotoLyrics.com

[Verse I:]

I believe that angels don't always appear with wings  
They constantly hangin' around to calm your fears  
And that's what I feel here in your arms

[Verse II:]

You give me courage when I'm feeling down  
You make me smile every time I frown  
You pull me up every time I fall  
You taught me how to stand it all

[Chorus:]

Heaven sent you to me  
(pa-pa-pa-ah pa-pa-pa-ah-ah)  
I have nothing to fear  
(pa-pa-pa-ah pa-pa-pa-ah-ah)  
Cause your love brings me to light  
And makes my day so bright

[Violin Adlib]

[Repeat Verse I]

[Repeat Chorus x2]

You're my angel  
Yeah yeah my angel  
You're my angel  
You're my angel  
My angel
