Me and all my friends
We're all misunderstood
They say we stand for nothing
There's no way we ever could
Now we see everything is going wrong
With the world and those who lead it
We just feel like we don't have the means
To rise above and beat it

So we keep waiting (waiting)
Waiting on the world to change
We keep on waiting (waiting)
Waiting on the world to change
Its hard to be persistant
When we're standing at a distance
So we keep waiting (waiting)
Waiting on the world to change

Now if we had the power
To bring our neighbors home from war
They would've never missed a Christmas
No more ribbons on the door
When you trust your television
What you get is what you got
Cuz when when they own the information ooohhh,
They can bend it all they want

So while we're waiting (waiting)
Waiting on the world to change
We keep on waiting (waiting)
Waiting on the world to change
It's not that we don't care
We just know that the part ain't fair
So we keep waiting (waiting)
Waiting on the world to change

We're still waiting (waiting)
Waiting on the world to change
We keep on waiting (waiting)
Waiting on the world to change
One day our generation

Is gonna rule the population

So we keep on waiting (waiting)
Waiting on the world to change
Know we keep on waiting (waiting)
Waiting on the world to change
We keep on waiting (waiting)
Waiting on the world to change
Waiting on the world to change
Waiting on the world to change
Waiting on the world to change.
