Sitting Here Alone With My Memories
Staring At a picture of You and Me
They Say I look fine
But if walls could talk
They tell you about how much I break apart

I think we were right
But We Did it Wrong
Ever Since you Left Me I Just Can't go on
No, I can't even read the news today, cause everything
reminds me of yesterday

[chorus]
Empty Room, Empty Heart
Since you been gone
I Must Move on
Empty Room

I never realized you could make me cry
To hear the children laugh and play outside
I walk in the park
Shouldn't be that Bad
But Everything we valued seems to make me sad

I thought we were good

We Were Meant to be
The Way it Turned out is still a mystery
No, I can't even read the news today, cause everything
reminds me of yesterday

[Chorus]
Empty Room, Empty Heart
Since you been gone
I Must Move on
Empty space, lonely days
My Life Goes On
Just Like The Moon

And To Sail Across The Sky Alone
For Every trying to find it's home
I Can't Believe I have to say

I Don't Know Where U Are Today

[chorus]

Empty Room, Empty Heart

Since you been gone

I Must Move on

Empty space, lonely days

My Life Goes On

Just Like The Moon

Empty Room

Ouhh Empty Room
