Now I know
Yes, it's here I belong
By your side, in your arms
You are my destiny
You are my light, shining so bright

CHORUS:

All my love I give to you
All I do I do for you
I'm in love, baby I'm in love
Every day and every night
Always 'til the end of time
I'm in love, baby I'm in love

Now it's time
I have made up my mind
No more reasons to cry
Loving you endlessly
You are my light, shining so bright

CHORUS:

All my love I give to you
All I do I do for you
I'm in love, baby I'm in love
Every day and every night
Always 'til the end of time
I'm in love, baby I'm in love

Stick
Yes, from the start
You reached so deep, into my heart
How could I live without you
I want you, I need you forever
I give you

CHORUS:

All my love I give to you
All I do I do for you
I'm in love, baby I'm in love
Every day and every night
Always 'til the end of time

I'm in love, baby I'm in love

All my love I give to you

All I do I do for you

I'm in love, baby I'm in love, baby I'm in love
