Na na na na na...  
Na na na na na...  
Na na na na na na...  
Na na na na na na...

You're my everything  
the sun that shines above you makes the blue bird sing  
the stars that twinkle way up in the sky, tell me I'm in  
love.

When I kiss your lips  
I feel the rolling thunder to my fingertips  
and all the while my head is in despair, deep within I'm  
in love.

You're my everything and nothing really matters but  
the love you bring  
you're my everything to see you in the morning  
with those deep brown eyes.

You're my everything, forever any day I need you close  
to me  
you're my everything you'll never have to worry  
never fear for I am near.

Oh, my everything  
I live upon the land that see the sky above  
I swing within her oceans sweet and warm, there's no  
storm my love.

You're my everything, no, nothing really matters but  
the love you bring  
you're my everything to see you in the morning  
with those deep brown eyes.

You're my everything forever any day I need you close  
to me  
you're my everything you'll never have to worry  
never fear for I am near.

When I hold you tight there's nothing

that can harm you in the lonely night  
I'll come to you and keep you safe and warm it's so  
strong my love.

When I kiss your lips I feel the rolling thunder to my  
fingertips  
and all the while my head is in despair deep within I'm  
in love.
