every day i miss the you i used to know
before i let you down
before you let me go
we'd listen to the left side
of the radio

and you were so fine with your train track smile
i fell for your coffee eyes
your half and half
white lies
back around 92
i lost god
i found you
i found you

i found you dancin
with the blissed out brothers
and the dred locked white girls
spinnin like a discoball world yeah
with the extra virgins
and the gold toothed stoners
spinnin like a discoball world yeah

the flowers that we stole from san jancinto
they're in the vodka vases
by the window
i can't forget the date that you forgot me

when you kisses got so vicious

and i fell for your coffee eyes
your half and half
white lies
back around 92
i lost god
i found you
i found you

i found you dancin with the blissed out brothers
and the dred locked white girls
spinnin like a discoball world
yeah, yeah

with the extra virgins
and the laptop loners
spinnin like a disco ball world
yeah, yeah
alright

alright

can i dance with you baby?
can i dance with you? with you
