Stolen

They're approaching me with these silly lines
Can't help but to stare starry eyed
At my package as they're passing by
Pretending that he really truly cares
Bout my intellectuality
But he wants just one thing outta me

They keep checkin me out
They keep eyein' me down
They keep askin me out
And I keep turnin' em down
Think I had about enough of these stupid games
I need real love I'm sayin..

I wanna be
(I wanna be)
STOLEN
I wanna be
(I wanna be)
STOLEN
I wanna be swept off my feet
I wanna be treated just like a queen
Tell me, (Tell me)
Somebody tell me when
(repeat)

I wanna be stolen.

Persistently they try to ask me out
Can't stand it so I turn them down
Don't want just another one of them blendin' in with
the crowd
They're lack of personality is just not working for me
Need a man who handles business like me
But takes care of me cause I'm his first priority

(But still) these dudes keep checkin me out

They keep eyein' me down
They keep askin me out

But I keep turnin' em down
Think I had about enough of these stupid games
I need real love
I'm sayin..

I wanna be
(I wanna be)
STOLEN
I wanna be
(I wanna be)
STOLEN
I wanna be swept off my feet
I wanna be treated just like a queen
Tell me, (Tell me)
Somebody tell me when
(repeat)

I wanna be stolen.

Fly ladies who hear me
Hot mamas who feel me
My sisters who hear me sing out loud ..

I wanna be
I wanna be
STOLEN
I wanna be
I wanna be
STOLEN
I wanna be swept off my feet
I wanna be treated just like a queen
Tell me, Tell me
Somebody tell me when
(repeat)

Tag:
I need some of that real stuff
Real love
I need a real man cause I'm so
Fed up fed up fed up fed up
Enough's Enough
Don't want none of it
Enough's Enough
Don't wanna mess with this
Enough's Enough
Cause I deserve it.
