Well there's nothing I can do
If you leave me here to cry
There's nothing I can do
If you leave me here to cry
You know my love will follow you
As the years go passing by

I gave you all, I own
That's one thing you can't deny
Yes, I gave you all, I own
That's one thing you, you can't deny
Yeah my love will follow you
As the years go passing by

I'm gonna leave it up to you
So long, so long good bye
Yes, I'm gonna leave it up to you
So long, yes so long good bye
You know my love will follow you
As the years go passing by

Yeah my love will follow you
As the years go passing by
